

As a reminder, **PARKING** at Los Alamos Research Park consists of the following:

- Loading zone area at the main building entrance
- Visitor parking (small lot - 1 hour parking)
- Main Parking Lot
- Maintenance vehicle parking area (south/east of building)
- American's With Disabilities Parking

Parking in fire lanes is prohibited at all times.

TENANTS and VISITORS may **ENTER** the main parking lot by making a right turn from southbound Diamond Drive/Highway 501. Tenants and visitors seeking to enter the parking lot from northbound Diamond Drive/Highway 501 will need to cross the gorge bridge, make a u-turn and enter the parking lot from southbound Diamond Drive/Highway 501.

DELIVERY TRUCKS larger than a pick-up truck or van must check in with Post 10 security located on East Jemez Road near NM4 and obtain a vehicle inspection pass. Delivery trucks may use the West Jemez Road entry to Los Alamos Research Park and utilize the twenty minute Loading Zone area near the building.

AMERICANS WITH DISABILITIES may use the West Jemez Road entrance to the Los Alamos Research Park and utilize the designated parking spaces.

TENANTS and VISITORS may **EXIT** the main parking lot by making a right turn on to southbound Diamond Drive/Highway 501. Tenants and visitors seeking to return to Los Alamos will need to make a u-turn at the signalized intersection of Diamon Drive/Highway 501 and West Jemez Road.
